

RELOOP INC.

Recycling Solutions

*Professional HDPE Recycling &
Plastic Processing Services*

Our Core Recycling Services:

- **HDPE Drum Recycling:**
Professional processing of industrial HDPE drums through shredding, washing, and grinding to produce clean, reusable regrind.
- **IBC Tote Recycling:**
Complete breakdown and recycling of HDPE IBC totes into quality-controlled material ready for manufacturing use.
- **Plastic Shredding & Grinding:**
Industrial plastic size reduction for efficient processing and material recovery.
- **Washing & Regrind Processing:**
Thorough cleaning and inspection to deliver consistent recycled HDPE feedstock
- **Recycled HDPE Material Resale:**
Supplying washed and inspected HDPE regrind to manufacturers across Canada and the United States.

Toll Grinding & Custom Processing:

- **HDPE Toll Grinding:**
Processing customer-owned plastic scrap into uniform regrind while maintaining material ownership.
- **Custom Plastic Processing:**
Shredding, grinding, and washing services tailored to specific material requirements.
- **Quality-Controlled Output:**
Consistent, inspected material prepared for manufacturing applications.

Additional Support Services:

- **Secure Material Destruction:**
Responsible processing and destruction of approved plastic materials.
- **Material Handling & Repackaging:**
Packaging recycled plastic in bulk containers such as Gaylord boxes or supersacks for shipment.
- **Nationwide Material Intake:**
Accepting approved HDPE materials from across Canada and the United States.

Consult with Reloop Recycling Solutions today.
